Tomato Popcorn Recipe

1 tablespoon vegetable oil

1/2 cup good-quality popping corn

2 to 3 tablespoons unsalted butter, melted and kept warm

2 tablespoons tomato powder (see note below)

Salt

Heat a 2-quart saucepan over medium heat. Add the oil and popping corn; cover with a tight-fitting lid. Cook, shaking the saucepan regularly, until all the kernels have popped. Transfer the popcorn to a large bowl. Pour the warm, melted butter (to taste) evenly over it and toss gently to coat, then sprinkle with the tomato powder and season lightly with salt.

Serve right away.
