Print this page. Cut along the line to remove the directions.

Color the wreath, Santa, and letters. Be sure to sign your name and the date for your keepsake.

You'll need:

Scissors
Glue stick
Hole punch
Yarn, twine, or ribbon
Add glitter for a special touch!

Fold the paper in half along the line. Make sure the edges of the paper line up and that you can see Santa. Next open the folded paper. Use the glue stick to run lines of glue all over the inside. Fold the paper back together and press in place. Cut around the wreath and Santa. Add glitter if you want. Punch a whole in the top and tie a ribbon through it.
